11 - 21 STURT STREET, SOUTH MELBOURNE.

AUTO RADIO SERVICE BULLETIN.

---

SUBJECT - SPECIAL RECEIVER FOR FORD CARS.

It has been found that a different control is required for the Ford Standard 1936 to the Ford De Luxe 1936, therefore when ordering Ford 1936 receivers it will be necessary to state whether it is for the Standard or De Luxe car.

The carton that the control is packed in will be stamped "Standard" Ford or "De Luxe" Ford as the case may be.
