UNIVERSITY VOLT-OHM METER
 Model VRM
 Made by
 Radio Equipment Pty Ltd,
 Sydney Australia

Functions-
E.M.F and RESISTANCE

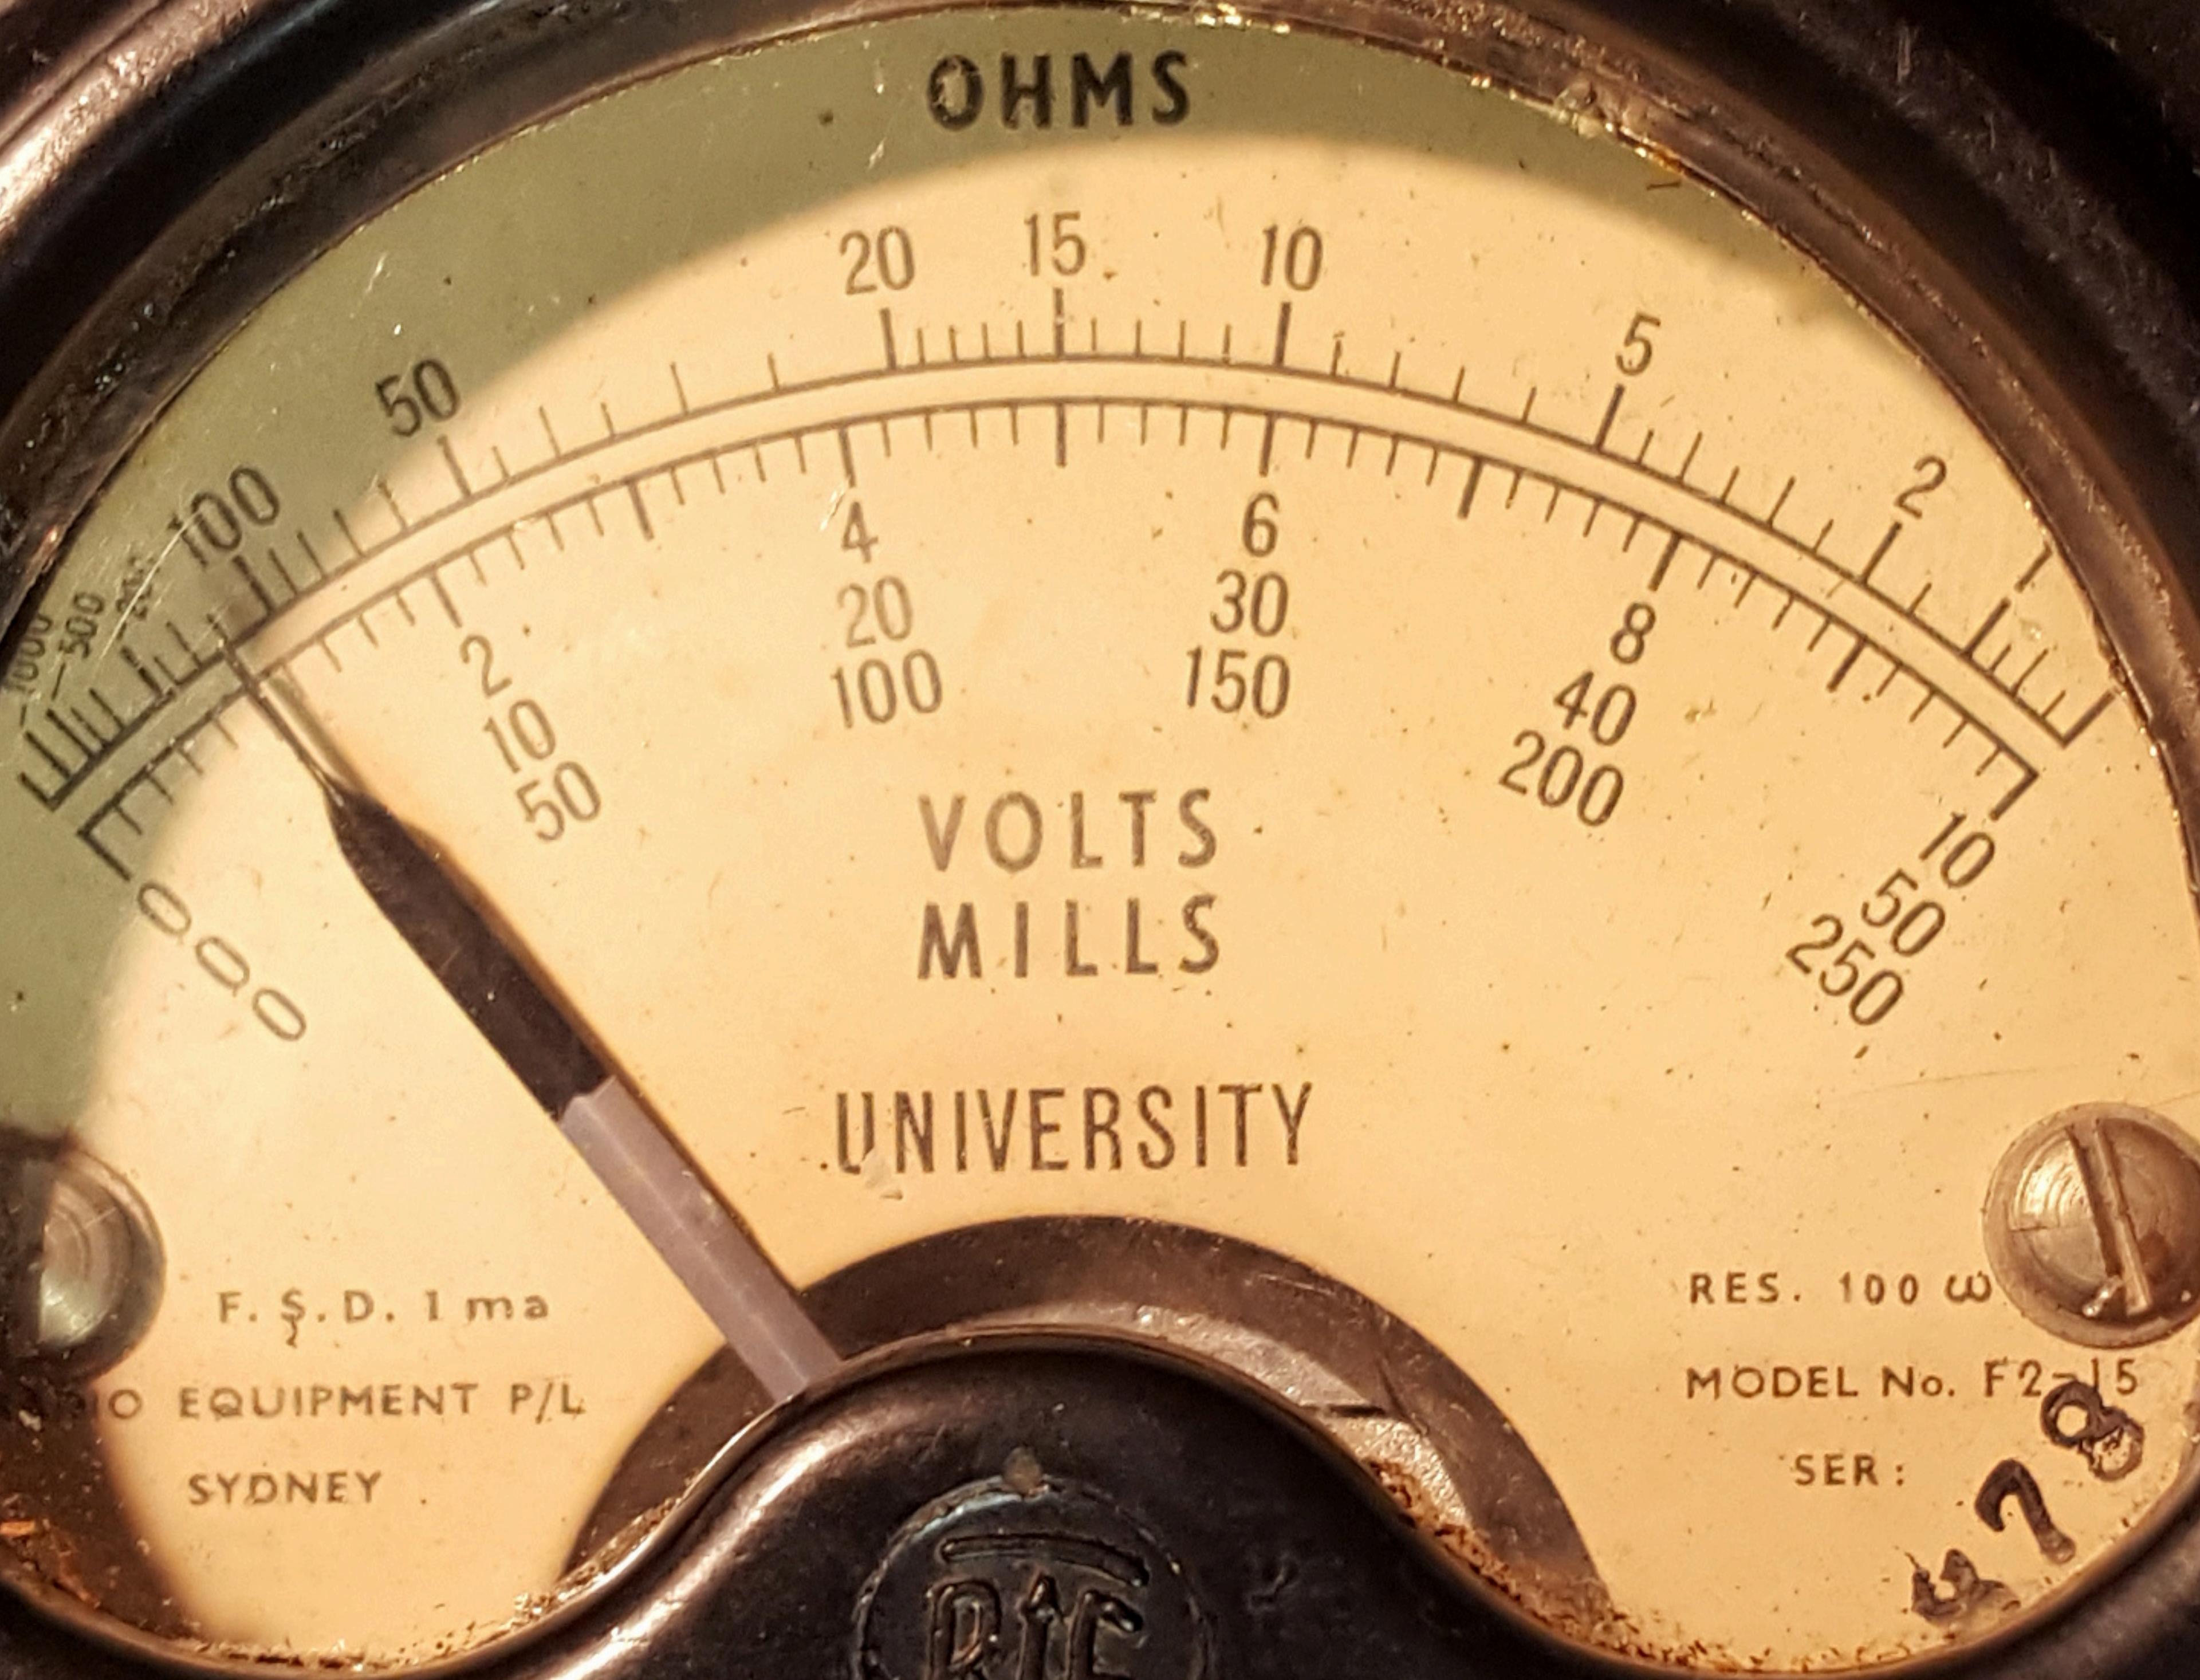

Ranges-
Volts: 0 to 500
Ohms: 0 to Infinite

Note:
Sw1 and VR1 are incorporated in the same unit. The same wiper contacts both the resistance coil and the switch terminals. Thus there is a single control for all functions and ranges.

Cell is an unknown obsolete type.
